

Proposal on changes of Bye-law 更新附例建議

Date 日期	17 Jan 2020
Proposer(s) 提議者	Cyril Leung
Subject 主題	Arrangement of players for clubs with more than one side in a league division
Proposed changes 建議更新內容	<p>2.11a - When two or more sides from a Club play in the same division, the sides will be entered with ranking higher than each other, although still nomenclature with suffixed A, B, C, etc.</p> <p>2.11a - 當一個球會在同一組別有兩隊或以上的隊伍參賽時，其隊伍將按高低排名，在球會名稱後加上 A, B, C 等字母作分辨。</p> <p>2.11b - The registered and tied player is not allowed to play for any other side in the same division during the same league season.</p> <p>2.11b - 在當季已註冊及受限制球員將不能替同一球會在同一組別的其他隊伍作賽。</p>
Background 背景	The original Bye-laws 2.11 prohibit bowlers switching from one side to another side in the same division, once they played a match for one side. The Council of Management approved HKFC proposal to allow player switching between different sides in same division until they are registered or tied.
Benefits 好處	More flexibility. Club convenors can exercise their right to better manage the line-up of different sides through players ability.
