Background 背景	KCC put up a proposal on 11 Jan 2017 having all Saturday afternoon games start at 2pm or 3pm. This will make much better use of the limited facilities and all players would know at the start of the season exactly when the games would be played.
Benefits 好處	With a view to optimizing the use of bowling greens and for standardization, there will be same treatment of NO grace period for all games in private and public greens.
Process History 處理過程	Agreed and accepted in HKLBA Council of Management on 16 Jan 2017.
