Junior Squad Overseas Training Camp 2013

1. INTRODUCTION

The Hong Kong Junior Squad Overseas Training Camp 2013 took place from 12 to 17 February at Bayuemas Indoor Bowls Stadium, Kuala Lumpur, Malaysia

2. THE OBJECTIVE

To widen the perspective of young players, to enhance their techniques, to reinforce their psychological quality, team work and rhythm during competitions.

3. THE TEAM

The team comprised with The Hong Kong Junior Squad and potential youth players (7 girls and 5 boys) escorted by coaches Rita Shek and Arthur Yiu. They were Crystal Li, Pinky Chan, Vivian Yip, Andrea Chan, Yunsie Ha, Monica Ho, Tiffany Tsui, Simpson Chang, Jason Choi, Clarence Chiu, Jason Tsang, Anthony Yip.

4. THE SKILLS

- To introduce Malaysia player evaluation form and calculating method
- To refresh the knowhow of weight control in different ways: including drawing, trial and drive
- To emphasize the trust among teammates, the importance of co-operation and team works
- To enhance the head reading during roll up, coaches will provide assistance and advice in the middle of a game. Analysis will be given after the game and explanation of the risks associated with different styles as well as the way to relieve stress
- To explain the Law of the game and the importance of by-laws

5. SPECIAL ARRANGEMENT

- After a friendly competition with the Malaysian U21 youth squad, coaches analyzed the strength and weakness of the two teams and what could be done to get better result.
- Visited the Malaysian national sports complex - the Gym room where our youth players were introduced by their trainer the ways of how to focus on strengthening the core and lower part of the body which would be helpful to lawn bowling.
- To watch their "Tiger Bowls qualifying final" at the Bukit Kiara Lawn Bowls Centre.

6. COMMENT

The Malaysian coaches emphasized their sense of belongings towards their nation and let our squad know the flag-raising methods, etiquette and procedure.

Youths were impressed by this etiquette and were told that if they were selected to represent to play for Hong Kong they would do the same thing before the game. Each morning all youths were requested to line up facing the HK flag and singing the National Anthem before training.

Although the training camp was tough, repeating the same skill with hundred times, very boring and physical demanding with long training hours but they still tried hard with great zeal. I was impressed by their enthusiasm and hard work. From the report made by coach Zuraiddi Puteh showed that they reached a very high standard after 4 days training. I learnt that they all enjoyed the camp and thus their cohesion was much stronger than before.

"Cardio-respiratory Endurance" training is significant to athletes, this will improve their strength and concentration to overcome frequent and continue games.

The training camp was successful and worth to run again for other potential young athlete.
