National Championships Panel Report on 15th December 2014

Case Report

1. Gary Knowles (IRC) disputed the prevailing interpretation of "neutral green" in bye-law 6.9.h with regard to the home team unable to provide a rink at the scheduled time, date and place. The interpretation being, any green that is not the nominated home green of either team/player is deemed to be a neutral green, including the indoor green of the same club if the outdoor green is the nominated home green (and vice versa) provided that the event is allowed to be played indoor under the bye laws. The case was referred to the Disciplinary Panel for a higher ruling. The Disciplinary Panel upheld the current interpretation.
2. Raymond Ho (KBGC) requested to reschedule the Semi-final of Men's 2-4-2 Pairs on 2nd December to another date as he would be representing Hong Kong China in the Asian Lawn Bowls Championship at Shenzhen between 30 November and 9th December. The re-scheduling request is out of the scope of bye-law 6.9.a as the 2-4-2 Pairs is not a premier championship event. After some deliberations, the Panel declined the request.
3. FC requested on behalf of Stephen Sy (QF4) and Kevin Ho (QF1) to reschedule the Quarter-finals and Semi-finals of Men's National Pairs on 21st December as they would be travelling out of Hong Kong. The Panel declined the request.
4. Martin Sham (KBGC) made a verbal enquiry about any option available should his team won QF1 of the Men's National Pairs as the SF1 would be clashing with his re-scheduled league match. Mr Sham was advised SF1 would not be changed based on bye-law 1.30.
5. Contributions from Councillors to improve the bye-laws are welcome.
