Notes from VP National League

1. League panel ruling

- CELBC seconded 3 YDT players in a match and played with 12 bowlers. League Panel recommended deducting 25% of their gained shots from each rink. This will be preceding reference for similar case in future. We will propose to amend the bye-law accordingly.
- Deduct 2 points from AYFP-B for a registered player playing down in M07072. Award 2 points to TMSA-D as their lost to the defaulting team.
- Deduct 1 point from IRC-A for late response on postponed game offers in M10011.
