2. Prize allocation for premier and triples league 2009

Below is the prize money allocation policy for league winners of 2009:

1. The distribution ratio is 55% for Champion side, 35% for Runners-up and 10% for Champion team. This ratio will be same for premier league and triples league. The prize will be same for every division.
2. Maximum number of prize winners is
 - a. Premier League – Men 16 players per side. Ladies 10 players per side.
 - b. Triples League – 11 players per side for both men and ladies
 - c. Champion team – 4 players per team in premier league, 3 players per team in triples league.
3. A player must play at least 33% in the league in order to be eligible as a prize winner.

3. Premier League 2010

For men, there were 69 entries for men and 34 entries for women.

The League panel proposed 7 divisions for men and 4 divisions for women. The division grouping were issued and no counter-proposal or feedbacks were received.

We proposed the first half will start on 24-Apr. For divisions with 8 sides will start one week later. The second half will start on 28-Aug and the league will complete on 30-Oct.

The priority on green usage was circulated.

Based on the above assumptions, we prepared the fixture v2 as tabled for your approval. So far, we did not receive any further comments.

(Due to availability of HKCC green, we made some special arrangements, that all HKCC games will play home at the first half)

Clubs can start to book the rinks

For rescheduled games, the home side should provide their offers before 26-Apr-2010. All rescheduled games have to be fixed before 14 May-2010.
