Notes from VP National League

1. Clarification of postpone game offers

The League Panel proposed the validity of three offers:

- The home side shall offer three alternatives to the away side.
- The alternatives shall include the date as 2.8.d (preferred day for rescheduled games of the home side) together with two others all within fifteen days of the original scheduled day of the match or lesser period if required under bye-law 2.8.c.
- The alternatives shall not overlap and three alternatives shall not be on the same date.

2. Registered players

Club convenors are reminded to submit the registered players list before their fourth game.

Except the lowest ranked side, all sides shall register six players each. The player should play at least two of the first three games in the registered side. If the submitted players list is not eligible for registration, HKLBA will select in alphabetical order using their family names of your list of players in the website for registration
