

Hong Kong Lawn Bowls Association
Council Meeting on 20 December 2010 at CdeR

Notes from VP National League

1. Green booking in league games

- 1.1. We found that some clubs in public venues pre-booked the green before the fixture was final. In future if there is any pre-booking before the confirmation of fixture, HKLBA may cancel their bookings in order to maintain a fairness treatment to all clubs.
- 1.2. The panel received a complaint from ILBC about GBLBC not booking the green timely. The panel is studying the case and will report our recommendation later.
