主旨: RE: Mixed Triples Match No. 328 CLBC v TKOBC at VP at 7pm on 30/8/2016

Dear Convenor of CLBC and TKOBC,

The Panel has decided to award the aborted Mixed Triples 2016 Match #328 to the CLBC team.

The match had apparently stopped after completion of 4 ends when both skips had signed next to their team's score on the scorecard, which is the normal action of stop play.

It is an undisputed point that both teams agreed to submit the case to LBA for adjudication. The fact that play was not resumed when one lighting was back on subsequently should not affect the previous agreement which was apparently unconditional.

In its deliberation, the Panel had attempted to draw comparison from extreme temperature and pace of green procedures. However, measurable benchmarks have been established in these two areas, whereas intensity of lighting has not.

It is regrettable that any match is aborted in an unamicable manner, any problem arisen not solved in situ in a friendly way or any chance of resuming play not taken, and that Panel adjudication is sought.
