League panel rulings

Deduct 2 points from KBGC-E as less than 5 days advance notice for a reschedule request of M0883 due to shortage of players.

HKYDT loan player policy

The league panel recommended that Clubs can apply to loan YDT players only when they are less than 9 players in premier league, or 6 players in triples league. The loaned players will make up the side with minimum players, such that league game can continue as scheduled. All current rules and constraints remain unchanged.
