## Notes from VP National League

### **League panel rulings on Triples League 2017**

Deduct 1 point from CSD-B for late offer of 49092

### **Premier League 2017**

The result in website is final. Congratulation to the winners

	Men	Women
Division 1	CCC-A	ILBC-A
Division 2	FC-A	TKOBC-A
Division 3	TPLBC-A	ILBC-B
Division 4	CdeR-B	STSA-C
Division 5	TKOBC-A	YLLBC-A
Division 6	ILBC-B	
Division 7	CLP-B	
Division 8	HKYDT-B	
Division 9	YLLBC-A	

### **Addition clause on Tied player**

To improve the situation of more than one side in same division, the league panel proposed an additional bye-law 3.7.c

3.7.c If a player is coming to tie to a side and the club has more than one side in the same division, the player will tie to the side with most games played in that division. If the number of games played in that division is equal, the player will be tied to the side with last game played in that division.

### **Ranking system of Champion Team**

The current ranking practice is by points, then by shot difference. If points and shot difference are equal, both teams will be awarded the title of Champion Team.

League panel suggested amending the bye-law in line with the practice.

3.10.c. The skip acquiring the highest number of points, if equal by shot difference, in each division in a season will be awarded the title of Champion Team along with the three players with whom he has played the highest number of matches in that season.

3.10.d. If points and shot difference are equal, both teams will be awarded the title of Champion Team.

Similar changes apply to Triples League on 4.10.c and 4.10.d.

### **HKJC proposed 11 sides per division in Triples League**

The proposal was circulated to all convenors for their views and comment.
