## Notes from VP National League

### **1. Premier League 2018**

HKFC submitted a late application of HKFC-F in men competition. In view of the odd number in Division 9, the League Panel accepted the late entry giving a total of 96 men entries.

### **2. Victoria Park block booking on Saturday afternoon**

Victoria Park received complaints from public that all greens were being held for league games during Saturdays afternoon. The venue manager insisted us to reserve at least 3 rinks available for individual hirers. After negotiation, they allowed us to 12 rinks in alternate weeks for the first half league season.

### **3. Ap Lei Chau block booking on Saturday afternoon**

In Ap Lei Chau, the agreement is to reserve at least 3 rinks for individual hirers in the first Saturday of each month, unless we have other Saturday in the month not being used.

### **4. Champion skip table**

The League Panel clarified that the calculation of champion skip will be counted by side only. Games playing for different side in same division will be counted separately.

### **5. More than one side in same division**

League Panel proposal that once a bowler played in a side, he/she is not allowed to play in any other side in the same division. This maintains a fair competition environment to the opponents.
