Notes from VP National League

1. Premier League 2021

The result is final and shown on the website.
Congratulations to the winners.
Club convenors can destroy the scorecards

2. Green booking in public venue

Some public venues request enforcing LCSD policy of 3 months advance booking for league games. We may require having the league fixture 3 months before the league starts.

Proposal to change the Format of Weekday Fours Competition

In order to encourage more players to participate and further enhance public green usage during the weekdays, the National Championships Panel recommend the following proposal:

Change the Weekday Fours Competition to round robin and knock-out format

- Assuming 128 teams will enter in 2022 and be divided into groups of 8 teams each.
- 7 games per team per group.
- Home and away ratio maintains at +/-1.
- Games on public greens will be scheduled on Wednesday and Friday morning.
- Games on private greens will be scheduled on Wednesday afternoon.
- One round in at least every two weeks (see attached schedule).
- Target: 1st half season – Round robin. 2nd half season – Knock-out.
- Top 2 teams of each group qualify for the knock-out Stage.
- Format: 15 ends + unisex fours.
- Prize arrangement: No change.
- Medals: For original entrants only.

Substitution Rules

- Allow a maximum of 2 substitutes with at least 2 original entrants playing in each match.
- The original entrants will not lose its place in the team despite having the same substitute playing more than once for the team.

Teams using Public Greens

To ease the concern of teams using public greens, the HKLBA will try to hold some rinks in advance for this competition (subject to availability). It will be in 3 hours time slot from 10:00 am to 1:00 pm on Wednesday and Friday of each game week. Same as the league practice, once confirmed, the fixture is non-negotiable.

Increase of Entry Fee

Increase the entry fee from \$400 to \$600 per team to cover the extra amount of administration work dealing with the draw and fixture.
