Notes from VP National League

1. Triples League 2021

Due to the pandemic situation and closure of bowling venues, the League panel recommended:

- Cancel Triples League 2021, and all results will be removed
- No promotion or relegation. The composition of the next Triples League will be based on Triples League 2018.
- No prize will be awarded to any side or team.
- Entry fees will be fully refunded to all clubs.
- Scorecard fees will not be refunded.
- HKLBA office will contact LCSD about the refund arrangement of public venues.

2. Premier League 2022

- The final fixture (v4) was issued.
- The League started on 23 April as scheduled.
- SBI withdrew their men and women B sides. We will not issue a new fixture. Opponents playing against SBI-B will get a bye.
- There were few significant changes in this year fixture: All games in public and private venues were fixed in advance, and there was no need for self-arrangement.

3. Payment arrangement in LCSD venue

- Some venues enforce LCSD policy on booking and payment. HKLBA will pay the green fees first for VP, TKO, SLY, and YCK, then charge back to the clubs.
- All clubs are reminded to observe the Conditions of Use of LCSD facilities, e.g., taking the green at the assigned timeslots. Two defaulted cases may lead to canceling the continued booking or immediately terminating the facilities' hiring. Two defaulted notices in twelve months may have the priority status suspended for one year.

4. Bye-law changes

Many clubs did not support the "Preferred day for postponed games." The league panel recommended removing this constraint in future rescheduling offers.

VP (National League)
