

Notes from VP - National League

1. Premier League 2023

We received 163 entries including 101 men and 62 women entries.

The league will start on 29 April 2023.

The draft fixture has been issued. We are working on the final fixture. Target to issue it in this week. Public green clubs have to submit their green bookings and pay the green fees directly to LCSD.

2. League Panel Review

In 2013, the CoM has conducted a discussion on league format. Since then, the current league format has been used for over 10 years. The League panel proposed to conduct a review on the format. Findings and recommendations will be circulated to CoM for discussion and consideration whether a change is required.
