

Here is a list of shoes approved for use on lawn bowls greens in Hong Kong. Should you have a pair of shoes that was not specifically designed for lawn bowls and was not on the list, you need to submit its details to LBACHK for approval. The approval criteria are:

1. All shoes that specially designed for lawn bowls will be approved, regardless of its colour.
2. For shoes not designed for lawn bowls, we will look at its sole and style to see if it meets our requirement. For this kind of shoes, only white, black, gray and brown colour will be approved.
