Date 日期	1 July 2016
Proposer(s) 提議者	Walter Kwok, Vice-President National Championships
Subject 主題	Substitution of Competitors
Proposed changes 建議更新內容	<p>Append “and fielded to play in any match” in the third sentence of Bye-law 6.7.e. The revised bye-law shall read as:</p> <p>A substitute shall become a permanent member of the team if he plays more than one match in a competition. The permanent member for whom he substitutes on the occasion when he plays his second match shall take no further part in the competition. A team shall at all times have at least 50% of the original entrants remained as permanent members and fielded to play in any match, otherwise the team shall be disqualified. Should a substitute play in the final of a competition only, that substitute and the permanent member for whom he substituted shall be jointly registered with the Association as winner or runner-up, whichever is applicable.</p>
Background 背景	The existing way of wording may be subject to misinterpretation of the bye-law the original intention of which is that a team has to have at least 50% of original entrants remaining as permanent members as well as playing in a match at any time.
