

HONG KONG LAWN BOWLS ASSOCIATION

THE COACHING SYSTEM

(Updated on 8/1/2015)

The objective of the HKLBA coaching system is to provide a standardised form of bowls coaching in Hong Kong based on the HKLBA Coaching Manuals.

Every year HKLBA will join with the Leisure & Cultural Services Department to organise lawn bowl training courses for the general public. In 2014, 130 courses were organised and it is expected that more courses will be organised in the years to come. In addition to this, the launch of school programs and increased number of fundays all require more coaches.

To achieve our ultimate goal of extending the coverage of the sports in Hong Kong, it is important that such courses are conducted in accordance to the best practice and in a professional manner so that beginners will maintain their interest after the first course.

As of December 2014, there are 91 coaches (Level 1 - 61, Level 2 - 22 & Level 3 - 8) registered with the HKLBA. To ensure a high quality of coaching standard, the following system is implemented from 2015.

Coach Registration

For the even distribution of coach duties, it is important to maintain an updated record for all the qualified coaches. The Association maintains a list of all qualified coaches and it is updated on a regular basis. All coaches need to re-register every two years and the prevailing registration fee is HK\$600. The following documents are required when re-register:

1. A valid coach Accreditation card from the Hong Kong Coaching Committee.
2. A valid Sexual Conviction Record Check with the Hong Kong Police Force.

Please note that the above documents need to remain valid during the course of your registration. Should any of these documents expired, the coach status will be suspended until they became valid again.

Should the coaches desired to perform coach duties for LCSD's training courses, they are required to register with the LCSD and an interview will be arranged with LCSD to approve such application.

Any coach who does not re-register within two years after the expiry of the previous registration will be permanently de-listed from the HKLBA Coach List. Application of re-instatement should be forwarded to the Coach Panel for consideration.
